

29 November 2024

Dear Families,

From the start of 2025 all stationery and textbooks will be ordered in bulk for students in Pre-Primary through to Year 6. This change will be reflected in your school fees as a small booklist levy. Due to the discounted bulk ordering system with Champion Education, the bulk ordering system will result in a cheaper 'booklist' for families and consistency in books/stationery for all students. In addition to this, all students will have everything they require for the school year and families will no longer need to spend time in the holidays hunting for booklist items.

We understand children like to have an opportunity to select their pencil case and we therefore request they bring their empty pencil case to school on the first day of 2025.

**Please note: Parents will still be required to send in a few individual items that are not ordered in bulk.**

We thank you in advance for your support in this cost-saving exercise which will ensure that teachers are able to provide the students with all necessary classroom consumables. We also hope this will take away some of the added end-of-year/beginning of year stresses for our families.

**Please see the following pages for your child's class list.**

Yours sincerely,

Jessica Francis  
Assistant Principal
