## Don't forget the Colour Run on 26 July

### how it works

Pre-Primary to Year 6 will be participating in this great event on the school oval, to promote fun and fitness to students, whilst fundraising for the school. Parents are welcome to attend.

At the end of the Lap-a-thon students will still have the 'Colour run experience' being squirted in coloured powder on their final laps.

Students will be encouraged to complete as many laps around the circuit as they can in 1 hour. During the Lap-a-thon, students will have their runs/ walks stamped on their cards. These will be brought home on the day for your sponsorship to be finalised

### how to raise money

We encourage you to get behind this event by assisting your children to gather sponsorship from family, friends and work colleagues. Please note - we do not endorse door-to-door canvassing or asking for sponsorship from strangers. You can start to collect pledges or donations right away - sponsors can either pledge per number of laps or a flat donation. Sponsors can donate through Trybooking using the QR code or link below:

<https://www.trybooking.com/CSQRR>

### prizes

This year students will be raising money as a class (no individual prizes). The class who raises the most amount of money will win a PIZZA PARTY to be had at school - further details to the winning class will be provided.

### what to wear

Students can wear 'free dress' on the day but it must be suitable for the Lap-a-thon and being squirted in colour - we recommend shorts/leggings, a white t-shirt and running shoes.
